## Construction documentation

One file, replacing thousands of photographs

Permanent, annotated records at every milestone

[With Matterport] we are now able to capture construction conditions for documentation on a single file and share that information as needed as opposed to managing 30,000+ individual photographs."

William Plato, VDC Manager, Hensel Phelps

## As-built drawings

- Easily create point clouds and OBJs
- 🕢 Import into any CAD software
- Take measurements from every angle

Ready for drywall

5/8

Use # 100321591 Firecode Core

The Matterport Pro camera has allowed us to complete designs in hours that would have otherwise taken weeks."
